Terms of use

The test instrument is a research instrument that serves research, teaching and practice. It is made available online and free of charge by the test archive and is protected by copyright, i.e. the copyright remains with the author(s). By using this test, I agree to abide by the terms of the [Creative Commons License CC BY-SA 4.0](#). After completion of my work with the measure, I will inform the test authors about the use of the measure and the results I have obtained by means of the [feedback form](#).

Below you will find many different occupations. For each occupation choose the number from 1 (strongly dislike) to 7 (strongly like) that describes how you feel about doing that kind of work. Don't worry about whether you would be good at doing the job or whether you have the skills to do the work. Think only about HOW MUCH YOU LIKE OR DISLIKE THE WORK. Please place your response to the space to the left of each occupation and respond to all occupations.
