	16	1	16	10	16	0	16	16	10,00

E – condition of equity, IE – condition of inequity. Each line shows numbers of acceptance of following proposition 1-1, 0-1, 1-0, 1-6 in social (S) and non-social (NS) conditions in Task B and the time spent in Task A (Bead's time) for individual participant.
